

EY

EY Growth Fund

FUND OBJECTIVE

The investment objective of the Fund is to provide long term investment growth. The Fund will invest in a number of investments, predominantly equity-focused, in order to achieve its objective.

The Fund targets long term growth of inflation +4% pa and volatility of 16-20% over rolling seven year periods.

RISK PROFILE

The fund's risk rating is based on the historic volatility of the fund's value and it may change in the future.

Investment funds with a lower risk profile typically exhibit fewer price fluctuations and therefore a lower probability of temporary capital losses. Funds with a high risk rating typically experience greater fluctuations in value and maintain a greater risk of capital losses.

FUND FACTSHEET INFORMATION

This factsheet has been produced to provide you with fund information and is not designed to provide advice on the suitability of an investment for your personal financial situation. It should be read in conjunction with your pension scheme particulars. It is not an offer to buy or sell any investment or shares, if you have any questions regarding its contents, please speak to the Trustee or your Financial Advisor.

This fund is invested wholly or predominantly in units of such other funds identified by the Trustees of the pension scheme and maintained by Legal & General Investment Management. These funds may change from time to time. The Fund Objective and Benchmark have also been determined by the Trustees. This factsheet will be updated quarterly.
